

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

May 8, 2008

**H.R. 5972
United States Capitol Police
Administrative Technical Corrections Act of 2008**

As ordered reported by the House Committee on Administration on May 7, 2008

H.R. 5972 would make technical corrections to federal laws that govern the administrative activities of the U.S. Capitol Police. The bill would have no effect on police operations, and CBO estimates that enacting the legislation would have no impact on discretionary spending, direct spending, or revenues.

H.R. 5972 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
